September 2006

SIP TIP: WHAT IS WRONG WITH THIS PICTURE?

Look at the pictures below and identify what is unsafe. To the right of each picture is a space to write your answer. Please print clearly and identify the hazard and what can be done to fix the hazard.

All SIP TIPs (one per person), that are returned prior to October 1, 2006 will be eligible for a drawing for one (1) of five (5) - \$25.00 gift certificates to Home Depot. To be eligible the SIP TIP must be returned prior to October 1, 2006 to the fax number above. Those entries that correctly identify the hazards and have solutions to fix the hazards will be eligible. This program is only for field workers and trades persons.

CONGRATULATIONS TO THE WINNERS OF THE LAST "WHAT IS WRONG WITH THIS PICTURE?"

Thomas Rosa, Sean Vandyle, John Gelatka, Gerald Scott, and Nicole Glovitch

Name: _____

Employer: _____

Trade / Union: _____

Phone Number: _____

Home Address: _____

REMINDER: SAFETY IS EVERYONES RESPONSIBILITY!

NOVEMBER 2005: WHAT IS WRONG WITH THIS PICTURE

ANSWERS

Deleted: <sp><sp><sp>

What is the hazard? Worker standing on the next to top step of a step ladder, Step ladder leaning against the wall

How can the hazard be fixed? Use the proper ladder for the job – use an extension ladder of the right length set up at the right angle (4 to 1).

What is the hazard? Drill with broken cord and non-grounded spot light with metal housing

How can the hazard be fixed? Tag Drill and have repaired and remove spot light from job and get the proper equipment (grounded spot light)

REMINDER: SAFETY IS EVERYONES RESPONSIBILITY!
