

MEADEN & MOORE

Jennifer A. Myers, CPA

Senior Manager, Assurance Services Group

Experience

Jennifer is a Senior Manager in Meaden & Moore's Assurance Services Group. She assists in the planning of engagements, supervising staff accountants in fieldwork, reviewing financial statements and tax work. She works closely with clients and the accounting staff to find solutions to problem areas, and she helps develop ideas for business growth.

Jennifer has spent over 21 years in public accounting working with a comprehensive and diverse client list in various industries such as non-profit, manufacturing, construction, communications and distribution.

Jennifer also conducts audits of 401(k), pension, and health and welfare plans.

Internally, Jennifer helps conduct internal and external training related to the construction and not-for-profit industries.
