#### Email

[cculbertson@meadenmoore.com](mailto:cculbertson@meadenmoore.com)

#### Education

University of Akron, Bachelor of Science in Accounting and Minor in Entrepreneurship.

#### Areas of Specialization

- Auditing
- Construction
- SOC Reporting

#### Experience

With over 15 years in public accounting, Carlin has extensive auditing experience serving a wide variety of clients in various industries, including construction, manufacturing, mining, biotechnology and distribution.

Carlin is responsible for planning, executing, and managing audits and reviews of large privately held companies and small publicly held companies, with a focus on providing an exceptional client experience and adding value outside of the assurance work. In addition, Carlin serves as a mentor and role model for our staff and conducts training programs to aid in their development.

#### Professional Development
