(c) As of May 5, 2008, during periods of limited work opportunities within a shop, the available work weeks shall be distributed fairly amongst the shops' available work force. The employer must notify the Union of all Temporary Lay-offs. Any employee temporarily laid off by the Employer for a period of four (4) continuous or accumulative work weeks, shall immediately be returned to work or be immediately laid off with a separation slip and the employee shall register on the Union's out-of-work list or if work opportunities for the employees within the shop are still limited at that time, then another and different employee may be temporarily laid off, but also not to exceed the four (4) week limit as described above. The rotations of manpower shall continue as long as work opportunities within the shop are limited, or until all available employees have either had their turn or all employees have been made available for work for a continuous eight (8) week period. Once the shop has been fully employed for an eight (8) week period, the rotation cycle may be started over at that time. Job supervision shall be excluded from the need to be rotated.

ARTICLE IV

REFERRAL PROCEDURE

Section 4.01. In the interest of maintaining an efficient system of production in the Industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of employees in their employment status within the area and of eliminating discrimination in employment because of membership or non-membership in the Union, the parties hereto agree to the following system of referral of applicants for employment.

Section 4.02. The Union shall be the sole and exclusive source of referral of applicants for employment.

Section 4.03. The Employer shall have the right to reject any applicant for employment.

Section 4.04. The Union shall select and refer applicants for employment without discrimination against such applicants by reason of membership or non-membership in the Union and such selection and referral shall not be affected in any way by rules, regulations, bylaws, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All such selection and referral shall be in accord with the following procedure.

Section 4.05. The Union shall maintain a register of applicants for employment established on the basis of the Groups listed below. Each applicant for employment shall be registered in the highest priority Group for which he qualifies.

**JOURNEYMAN WIREMAN
JOURNEYMAN TECHNICIAN**

GROUP I

All applicants for employment who have four or more years' experience in the trade, are residents of the geographical area constituting the normal construction labor market, have passed a Journeyman Wireman's examination given by a duly constituted Inside Construction Local Union of the IBEW or have been certified as a Journeyman Wireman by any Inside Joint Apprenticeship and Training Committee, and, who have been employed in the trade for a period of at least one year in the last four years in the geographical area covered by the collective bargaining agreement.

Group I status shall be limited to one Local Union at one time. An applicant who qualifies for Group I in a local union shall be so registered electronically and remain on Group I in that local union unless and until the applicant designates another local union as his or her Group I local union. If an applicant qualifies for Group I status in a local union other than his or her home local union and designates that local as his or her Group I local union, the business manager of the new Group I status local union shall by electronic means notify the business manager of the applicant's former Group I status local union.

GROUP II

All applicants for employment who have four or more years' experience in the trade and who have passed a Journeyman Wireman's examination given by a duly constituted Inside Construction Local Union of the IBEW or have been certified as a Journeyman Wireman by any Inside Joint Apprenticeship and Training Committee.

GROUP III

All applicants for employment who have two or more years' experience in the trade, are residents of the geographical area constituting the normal construction labor market, and who have been employed for at least six months in the last three years in the geographical area covered by the collective bargaining agreement.

GROUP IV

All applicants for employment who have worked at the trade for more than one year.

Section 4.06. If the registration list is exhausted and the Local Union is unable to refer applicants for employment to the Employer within 48 hours from the time of

receiving the Employer's request, Saturdays, Sundays and holidays excepted, the Employer shall be free to secure applicants without using the Referral Procedure but such applicants, if hired, shall have the status of "temporary employees".

Section 4.07. The Employer shall notify the Business Manager promptly of the names and Social Security numbers of such "temporary employees" and shall replace such "temporary employees" as soon as registered applicants for employment are available under the Referral Procedure.

Section 4.08. "Normal construction labor market" is defined to mean the following geographical area plus the commuting distance adjacent thereto which includes the area from which the normal labor supply is secured:

Cuyahoga County Entire County, All Townships

Geauga County Bainbridge, Chester and Russell Townships

Lorain County Columbia Township

The above geographical area is agreed upon by the parties to include the **area** defined by the Secretary of Labor to be the appropriate prevailing wage **area** under the Davis-Bacon Act to which **the** Agreement applies.

Section 4.09. "Resident" means a person who has maintained his permanent home in the above defined geographical area for a period of not less than one year or who, having had a permanent home in this area, has temporarily left with the intention of returning to this area as his permanent home.

Section 4.10. An "Examination" shall include experience rating tests if such examination shall have been given prior to the date of this procedure, but from and after the date of this procedure, shall include only written and/or practical examinations given by a duly constituted Inside Construction Local Union of the IBEW. Reasonable intervals of time for examinations are specified as ninety (90) days. An applicant shall be eligible for examination if he has four years' experience in the trade.

Section 4.11. The Union shall maintain an "Out of Work List" which shall list the applicants within each Group in chronological order of the dates they register their availability for employment.

Section 4.12. An applicant who has registered on the "Out of Work List" must renew his application every thirty (30) days or his name will be removed from the "List."

Section 4.13. An applicant who is hired and who receives, through no fault of his own, work of forty (40) hours or less shall, upon re-registration, be restored to his appropriate place within his Group.

Section 4.14. (a) Employers shall advise the Business Manager of the Local Union of the number of applicants needed. The Business Manager shall refer applicants to the Employer by first referring applicants in Group I in the order of their place on the "Out of Work List" and then referring applicants in the same manner successively from the "Out of Work List" in Group II, then Group III, and then Group IV. Any applicant who is

rejected by the Employer shall be returned to his appropriate place within his Group and shall be referred to other employment in accordance with the position of his Group and his place within his Group.

(b) An applicant who is discharged for cause two (2) times within a 12-month period shall be referred to the neutral member of the Appeals Committee for a determination as to the applicant's continued eligibility for referral. The neutral member of the Appeals Committee shall, within three business days, review the qualifications of the applicant and the reasons for the discharges. The neutral member of the Appeals Committee may, in his or her sole discretion: (1) require the applicant to obtain further training from the JATC before again being eligible for referral; (2) disqualify the applicant for referral for a period of four weeks, or longer, depending on the seriousness of the conduct and/or repetitive nature of the conduct; (3) refer the applicant to an employee assistance program, if available, for evaluation and recommended action; or (4) restore the applicant to his/her appropriate place on the referral list.

Section 4.15. The only exceptions which shall be allowed in this order of referral are as follows:

(a) When the Employer states bona fide requirements for special skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.

(b) The age ratio clause in the Agreement calls for the employment of an additional employee or employees on the basis of age. Therefore, the Business Manager shall refer the first applicant on the register satisfying the applicable age requirements provided, however, that all names in higher priority Groups, if any, shall first be exhausted before such overage reference can be made.

Section 4.16. An Appeals Committee is hereby established composed of one (1) member appointed by the Union, one (1) member appointed by the Employer or by the Association, as the case may be, and a Public Member appointed by both these members.

Section 4.17. It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 4.04 through 4.15 of the Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. The Appeals Committee is authorized to issue procedural rules for the conduct of its business but it is not authorized to add to, subtract from, or modify any of the provisions of this Agreement and its decisions shall be in accord with this Agreement.

Section 4.18. A representative of the Employer or of the Association, as the case may be, designated to the Union in writing, shall be permitted to inspect the Referral Procedure **records** at any time during normal business hours.

Section 4.19. A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin Board in the offices of the Local Union and in the offices of the Employers who are parties to this Agreement.

Section 4.20. Apprentices shall be hired and transferred in accordance with the Apprenticeship provisions of the Agreement between the parties.

Section 4.21. When making reductions in the number of employees due to lack of work, Employers shall use the following procedure:

(a) Temporary employees, if any are employed, shall be laid off first. Then employees in Group IV shall be laid off next, if any are employed in this Group. Next to be laid off are employees in Group III, if any are employed in this group, then those in Group II, and then those in Group I.

(b) Paragraph (a) will not apply as long as the special skills requirement as provided for in Section 4.15(a) is required.

(c) Supervisory employees covered by the terms of this Agreement will be excluded from layoff as long as they remain in a supervisory capacity. When they are reduced to the status of Journeyman, they will be slotted in the appropriate group in paragraph (a) above.

ARTICLE V

STANDARD INSIDE APPRENTICESHIP & TRAINING LANGUAGE

Section 5.01. There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of eight (8) members who shall also serve as Trustees to the local apprenticeship and training trust. An equal number of members of four (4) shall be appointed, in writing, by the local chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of apprentices, journeymen, installers, technicians, and all others (unindentured, intermediate journeymen, etc.).

Section 5.02. All JATC member appointments, re-appointments and acceptance of appointments shall be in writing. Each member shall be appointed for a three (3) year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for Trust meetings.

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

Section 5.03. Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

Section 5.04. There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunications apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this **agreement**.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

Section 5.05. The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualification, duties, and responsibilities of the Training Director, the JATC should review the Training Director's Job Description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

Section 5.06. To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from one employer to another. The employer shall cooperate in providing apprentices with needed work experiences. The local union referral office shall be notified, in writing, of all job training assignments. If the employer is unable to provide reasonable continuous employment for apprentices, the JATC is to be so notified.

Section 5.07. All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for local union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 5.08. The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 5.12.

Section 5.09. Though the JATC cannot guarantee any number of apprentices; if a qualified employer requests an apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 5.10. Not Applicable

Section 5.11. The employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices. Contributions to other benefit plans may be addressed in other sections of this agreement.

Section 5.12. Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman Wiremen or fraction thereof as illustrated below.

Number of Journeymen	Maximum Number of Apprentices
1 to 3	2
4 to 6	4
7 to 9	6...
...97 to 99	66
etc.etc.	etc.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The **employer's** shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Section 5.13. An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in sight of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the employer's designated supervisor or journeyman based on their evaluation of the apprentice's skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice.

Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 5.14. Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this Agreement.

Section 5.15. The parties to this Agreement shall be bound by the Local Joint Apprenticeship Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Section 5.16. All Employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local apprenticeship and training trust agreement. See Appendix "A" for current rate. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.

ARTICLE VI FRINGE BENEFITS

NEBF:

Section 6.01. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF the individual Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon seventy-two (72) hours' notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Agreement.

Section 6.01. (b) Employers must submit the monthly/weekly payroll report electronically.

HEALTH AND WELFARE:

Section 6.02. The Employer agrees to contribute monthly/weekly to the Local Union Health and Welfare Fund the amount set forth in Appendix "A" for Health and Welfare, including negotiated Health Reimbursement Arrangement (HRA) Contributions for each hour paid to each of his employees (including all apprentices) working under the terms of the bargaining Agreement. Same to be accompanied by a completed electronic payroll report form specified by the Trustees. This amount of hourly contribution is subject to change by mutual agreement of both parties during the life of this Agreement. Any Employer contributing to this fund agrees to abide by the Trust Fund Document(s).

Section 6.03. (a) The Employer agrees to contribute monthly/weekly to the Local Union Pension Fund the amount set forth in Appendix "A" for Local Pension Contributions for each hour paid to each of his employees working under the terms of the bargaining Agreement. Apprentices will have 65% of the Journeyman contribution for the 2nd through 5th year; no pension contributions for the 1st year apprentice.

This amount of hourly contribution is subject to change by mutual agreement of both parties during the life of this Agreement. Any Employer contributing to this fund agrees to abide by the Trust Fund Document(s).

Section 6.03. (b) A voluntary 401(k) Plan is established for all employees working under this Agreement, including 1st year apprentices, and shall be known as IBEW Local 38, 401(k) Retirement Plan. Any employer contributing to this fund agrees to abide by the Trust Fund Document(s). See Appendix "A" for deferred rates.

Section 6.04. (a) All fringe payments of monies covered by this Agreement shall be reported and paid on an electronic consolidated and simplified form once a month/weekly. For this purpose, each month/week shall be considered ended on the last day of the last pay period in the calendar month or week, even if the date of actual payment of the wages occurs in the next month/week. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month or three (3) days following each pay week.

Section 6.04. (b) The following provisions shall control the enforcement of payment of contributions and deductions to the several fringe benefit and related accounts under this Agreement:

- 1.** Each Employer agrees that it is subject to the provisions of the agreements and declarations of trust and/or other governing instruments of the IBEW Local No. 38 Pension Fund, Health and Welfare Fund (Electrical Workers Benefit Fund), Vacation and Holiday Funds, Joint Apprenticeship and Training Trust Fund, National Employees Benefit Fund, National Electrical Industry Fund, CECAF, the 401(k) Plan, the Union working assessment account and any other fringe benefit, industry and related funds or accounts established by the parties hereto (collectively, the "Funds").

2. The payment and the electronic payroll report shall reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month or 3 days after the pay week. In months/weeks in which the Employer did not have any employees working, it shall submit an electronic reporting form marked, "ZERO HOURS, NO MEN WORKING." If the Employer has completed all work in the jurisdiction covered by this Agreement and will not have men working in the jurisdiction thereafter, it shall note on the electronic form for that month/week, "WORK COMPLETE—FINAL REPORT."

3. The failure of an Employer to pay the contributions, payroll deductions or other monies required hereunder when due shall be a violation of this Agreement as well as a violation of said Employer's obligations under the agreements and declarations of trust. Nonpayment by an Employer of any contributions, payroll deductions or other monies when due shall not relieve any other Employer of its obligation to make payment of contributions when due.

4. (a) Any Employer who is delinquent in making its payments as herein required or who fails to send its electronic monthly/weekly report on time shall be assessed, as liquidated damages, a delinquency assessment of ten percent (10%) of the total amount due plus one and one-half percent (1.5%) of the total amount due per calendar month/week thereafter.

(b) If an Employer is delinquent as described in 6.04 (b) (2) of this Agreement, he may be required to pay fringes on a weekly basis no later than 3 working days after the end of the payroll period.

5. Whenever an Employer is delinquent, the Union may, within 10 days after becoming aware or otherwise being notified of the delinquency, notify the surety company which supplied the bond for that Employer of the fact of said delinquency and shall at the same time send a copy of such notice to the offices of the Greater Cleveland Chapter, National Electrical Contractors Association.

6. Whenever an Employer is delinquent, the Union may, upon 72 hours written notice to the delinquent Employer, withdraw employees from the employment of the Employer, until such amounts as are due and owing are paid, without such withdrawal being considered a breach of any of the provisions of this Agreement, provided the Employer fails to show adequate proof that the delinquent amounts have been paid to the Funds.

7. Each Employer agrees to permit an audit or examination of such books, records, papers or reports of the Employer as may be necessary, in the discretion of the Fringe Benefit Fund Trustees, to determine whether the Employer is making full and prompt payment of all sums required to be paid by it to the Funds. The audit or examination shall be performed by an auditor or agent designated by the representatives of the Funds. If as a result of said audit or examination a substantial deficiency in payments to the Funds is discovered, the Funds may assess their costs in performing the audit or examination to the Employer, and said cost shall be collectible as any other amount due from the Employer to the funds.

8. The respective Trustees of the Funds, and their successors in office, shall be deemed to be joint and several beneficiaries of this Agreement for the purpose of enforcing the provisions of this Section 6.04(b) and shall, in addition to and with or without the Union, have standing to sue on this Agreement to enforce the terms hereof and of the respective agreements and declarations of trust and/or other governing instruments of the Funds and the payment by any employer of all sums and contributions due to the Funds. A delinquent Employer shall also be liable for, and obligated to pay, the delinquency assessments provided for herein, reasonable interest, all court costs, attorney's fees and other expenses incurred in the collection of contributions due from said delinquent employer. The Trustees shall further have all such relief (including temporary and permanent injunctive relief) and remedies against a delinquent Employer to which they may be entitled at law or in equity. The Trustees may compel and enforce the payment of contributions in any manner which they deem proper; and the Trustees may make such additional rules and regulations to facilitate and enforce the collection and payment thereof as they may deem appropriate.

Section 6.05. NOT APPLICABLE

VACATION/HOLIDAY PLAN

Section 6.06. 1. Amount of vacation allowance: The Employer shall deduct from the pay of each employee, subject to this Agreement, as a vacation/holiday allowance, an amount agreed to by the Labor-Management Committee, for each hour paid. See Appendix "A" for amount of vacation/holiday allowance.

2. Method of calculating vacation deductions and transmitting to bank: This vacation deduction shall be withheld from the employee's weekly pay and shall be sent on a monthly transmittal to a bank to be designated by the Administration Committee, as provided for in item (5) below:

(a) The Employer shall make all legal payroll withholding, for income tax, Social Security, etc. from the total of wage including vacation deductions and shall then withhold the full amount of the vacation deduction for transmittal on a monthly basis to the bank.

(b) The monthly transmittal shall cover every employee subject to this Agreement.

(c) The vacation deduction must be deducted from the wages of all employees, who are directed by the individual employer, who are subject to this Agreement, to work on jobs outside of the jurisdiction of Local Union No. 38.

(d) On a monthly transmittal form the following information concerning each employee shall be set forth in separate columns: 1. name of employee; 2. the number of hours worked; 3. amount deposited as provided for above, and such other information as the Fringe Benefit Fund Trustees may from time to time request.

(e) The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

3. Administration expenses in operation of plan: The Employer shall not be responsible for any expense incurred in the operation of the plan other than those incurred within the individual Employer's office.

(a) It is the intention that individual vacation should as far as possible be granted to each employee in accordance with recognized vacation practices. It is recognized that this may not always be practical, because of such circumstances, as necessity of particular jobs, sickness of individual men or other cases to make vacation arrangements to fit the need of each particular job or shop.

(b) Each employee may take two weeks vacation during a calendar year. Additional vacation time shall be allowed as per section 6.06 (3) (a) of this Agreement.

(c) Any employee who is unable to take his vacation at the time agreed upon as provided for above, either because of accident or sickness or because he is required by his employer to work during that period, shall be granted his vacation by the employer as soon thereafter as is mutually agreed. When the employee is required by the Employer to work during the vacation period as previously decided upon, he shall be paid at regular rates during this period.

4. Procedure and withdrawal of vacation allowance from bank: The following procedure shall be followed in the withdrawal of vacation allowance from the bank:

(a) The Vacation/Holiday account will be treated like any other savings accounts subject to the rules and regulations of this Bank, and based on signature cards on file; and, proper presentation of a withdrawal slip by the owner of the account to constitute a withdrawal. The Depository will disburse funds only on the basis of the authorized signatures on file, and will not open Vacation/Holiday account requiring more than one signature to obtain withdrawals.

(b) In the event of the death of an employee, the balance on deposit shall be paid to such person or persons entitled thereto upon submission of necessary proof of the Administration Committee.

5. Administrative Responsibility: There shall be established a Vacation/Holiday Plan Administration Committee (Labor-Management Committee), for the purpose of interpretation and administration of the plan, and for acting as a Board of Appeals.

Payment shall be forwarded monthly, in a form and manner prescribed by the Trustees, no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. The Greater Cleveland Chapter, NECA, or its designee, shall be the collection agent for this Fund.

As of May 5, 2008, the Fund has established a maximum cap of total assets and the contributions to this Fund will cease until the Fund declines to a pre-established level. The Employers and Union will be notified when the contribution is necessary in the future.

Section 8.04. If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars (\$20), for each month payment of contributions is delinquent to the Fund, such

amount being liquidated damages, and not a penalty, reflecting the reasonable damages incurred by the Fund due to the delinquency of the payments. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys' fees.

ARTICLE IX

Section 9.01. The parties agree to participate in the NECA-IBEW National Labor-Management Cooperation Fund, under authority of Section 6(b) of the Labor-Management Cooperation Act of 1978, 29 U.S.C. § 175(a) and Section 302(c)(9) of the Labor-Management Relations Act, 29 U.S.C. § 186(c)(9). The purposes of this Fund include the following:

- (3) to assist workers and employers in solving problems of mutual concern not susceptible to resolution within the collective bargaining process;
- (4) to study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the electrical construction industry;
- (5) to sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and the industry;
- (6) to encourage and support the initiation and operation of similarly constituted local labor-management cooperation committees;
- (7) to engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;
- (8) to engage in public education and other programs to expand the economic development of the electrical construction industry;
- (9) to enhance the involvement of workers in making decisions that affect their working lives; and
- (10) to engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

Section 9.02. The Fund shall function in accordance with, and as provided in, its Agreement and Declaration of Trust, and any amendments thereto and any other of its governing documents. Each Employer hereby accepts, agrees to be bound by, and shall be entitled to participate in the NLMCC, as provided in said Agreement and Declaration of Trust.

Section 9.03. Each employer shall contribute one cent (\$.01) per hour worked under this Agreement up to a maximum of 150,000 hours per year. Payment shall be forwarded monthly, in a form and manner prescribed by the Trustees, no later than

fifteen (15) calendar days following the last day of the month in which the labor was performed. Chapter, NECA, or its designee, shall be the collection agent for this Fund.

Section 9.04. If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars (\$20), for each month payment of contributions is delinquent to the Fund, such amount being liquidated damages, and not a penalty, reflecting the reasonable damages incurred by the Fund due to the delinquency of the payments. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys' fees.

ARTICLE X SAFETY

Section 10.01. There shall be a Joint Safety Committee consisting of three members representing the Chapter and three members representing the Union. The duties of this Committee shall be to develop and recommend safe work rules that are equal to or greater than the Standards of Construction as established by the Occupational Safety and Health Act of 1970, or other applicable Federal or State laws. Such rules and the other safety rules provided in this Article, are minimum rules and not intended to imply that the Union objects to the establishment and imposition by the Employers of additional or more stringent safety rules to protect the health and safety of the employees.

Section 10.02. It shall also be the function of this Committee to study these safe work rules and recommend their update to the parties to this Agreement for possible inclusion in this Agreement. This Committee shall meet at least once each quarter and also when called by the Chairman or when called by a majority of the current Committee members.

Section 10.03. Members of the Joint Safety Committee shall be selected by the party they represent. Their term of office shall be three years unless removed by the party they represent. The term of one Chapter and one Union representative shall expire each year with successors to be determined in the same manner as the original appointments were made. A Committee member is eligible to succeed himself.

Section 10.04. Neither the Union, nor any member of the Committee, nor any employee representative performing safety or health-related functions under this Agreement, shall be liable to any Employer, to any employee or to any other person for any act or failure to act in the capacity of an employee representative or committee member.

Section 10.05. On all energized circuits as a safety measure all work must be worked in accordance with the minimum standards of a "Hot Work Policy" mutually agreed upon by the parties to this agreement.

Section 10.06. Only qualified employees shall be permitted to use powder-actuated tools.

Section 10.07. The Employer shall furnish all safety equipment and shall also furnish proper individual protective gear to workers.

Section 10.08. It is the Employer's exclusive responsibility to insure the safety of its employees and their compliance with these safety rules and standards

ARTICLE XI

SUBSTANCE ABUSE LANGUAGE

Section 11.01. The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

ARTICLE XII

CODE OF EXCELLENCE

Section 12.01. The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers' expectations. Therefore each IBEW local union and NECA chapter shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and NECA.

ARTICLE XIII

ACT/STATE BUILDING TRADES FUND

Section 13.01 Each individual Employer shall contribute \$0.05 per hour worked to the ACT/State Building Trades Fund.

Payment shall be forwarded monthly, in a form manner prescribed by the Labor Management Committee, no later than fifteen (15) calendar days following the last day of the month in which the labor was performed.

SEPARABILITY CLAUSE

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.
