

Edward R. Valentine, LEED AP
Senior Project Executive
Gilbane Building Company

Ed Valentine currently serves as Senior Project Executive in Gilbane Building Company's Cleveland, Ohio office. Ed is a graduate of the Pennsylvania State University with a Bachelor of Architectural Engineering and is a LEED Accredited Professional.

Ed has more than 34 years in the construction industry and his leadership covers a variety of market segments including higher education, K-12, mission critical, corporate, healthcare and criminal justice building programs. Over the last 10 years he has specialized in mission critical programs and constructed Tier III data center facilities for Progressive Insurance, KeyBank, and the Cleveland Clinic. Additional project experience includes work for Cuyahoga Community College, the Ohio School Facilities Commission, Case Western Reserve University, Battelle Memorial Institute and The Cleveland Museum of Art.

Ed is a three time recipient of Gilbane's prestigious Iver Johnson Builders of the Year Award which recognizes excellence in project management. His team was also recognized with the national project of the year by the Construction Management Association of America (CMAA) for the new Mansfield Senior High School.
